

Pile Weatherseal Insert Only Polypropylene Pile, Fin & Backing

3/16" = 4.7mm | 1/4" = 6.4mm | 5/16" = 8mm | 3/8" = 9.5mm | 7/16" = 11mm | 1/2" = 12.7mm

Pile (Commercial No Fin)

- DS8635-360G** 3/8" wide backing - 1/4" grey pile height no fin
- DS8625-430G** 7/16" wide backing - 3/16" grey pile height no fin
- DS8635-430G** 7/16" wide backing - 1/4" grey pile height no fin
- DS8645-430G** 7/16" wide backing - 3/8" grey pile height no fin

Above commercial pile seals do not fit into the DS369A T-Slot extrusion.

-
- DS7530-250BL** 1/4" wide backing - 1/4" black pile height no fin
 - DS7530-250G** 1/4" wide backing - 1/4" grey pile height no fin
 - DS7530-250W** 1/4" wide backing - 1/4" white pile height no fin

- » High performance pile with a solid center fin barrier provides maximum resistance to air, water & dust infiltration.
- » Recommended pile compression 10%.
- » Excellent performer in sliding applications.
